I am the owner of The Brown Bottle, a liquor/convenience store in Waialua. I was the victim in the robbery case involving the above defendants. The armed robbery occurred early Monday morning the day after Mother's Day 2005.

On around June 1, 2006 I received \$ 8,550 from the HPD evidence room. The cash was part of the amount taken during the robbery and was used as evidence in the trial.
